Samarpan

HANDCRAFTED SOY WAX CANDLE

Inspired by the spirit of devotion and inner surrender, Samarpan reflects the quiet beauty of a worshipper's journey toward the divine.

Sculpted as a serene devotee in contemplation, this handcrafted soy wax candle brings together graceful artistry, cultural warmth and the poetry of prayer. The lotus held close and the calm expression evoke faith, reflection and the beauty of turning inward.

As the flame glows and the wax slowly melts, Samarpan becomes a poetic symbol of selfless offering—a gentle reminder that the deepest devotion is not material, but the surrender of the self in pursuit of the divine. Created for festive settings, reflective spaces and meaningful gifting, Samarpan brings warmth, elegance and soulful beauty into every home.

HANDCRAFTED SOY WAX CANDLE PAIR

Samanway celebrates the beauty of two individual spirits brought together in perfect harmony. Sculpted as a complementary pair of horses—one bold and flowing, the other poised and graceful—these handcrafted soy wax candles embody strength, companionship and balance.

Inspired by the timeless elegance of the horse, every sweeping mane, sculpted curve and ornamental detail gives the pair a sense of movement and quiet grandeur. When lit together, their warm flames create an intimate interplay of light, transforming them from decorative sculptures into a striking expression of connection.

Designed for weddings, anniversaries, housewarmings, festive gatherings and meaningful gifting, Samanway brings a sophisticated presence to any space. Beautiful individually, yet most expressive together—two distinct journeys, one beautiful direction.

Aabha

HANDCRAFTED SOY WAX CANDLE

Aabha is inspired by the quiet beauty of a flower opening to light. Layer upon layer of delicately sculpted petals surrounds its luminous centre, creating a handcrafted soy wax candle that feels graceful, romantic and effortlessly elegant.

As the flame begins to glow, the sculpted petals catch the light at different depths, bringing warmth and dimension to the flower and transforming it into a captivating centrepiece. Offered in soft blush pink and a delicate blush-and-sage combination, Aabha moves easily between contemporary interiors, intimate celebrations and beautifully styled festive settings.

Created for birthdays, bridal celebrations, anniversaries, elegant dinners, festive tables and thoughtful gifting, Aabha brings a sense of softness and refinement wherever it is placed—beautiful even before it is lit, and especially enchanting once the flame comes alive.

About Lumaari

HANDCRAFTED SOY WAX CANDLES

LUMAARI Luxury Candles was created with a simple belief — a candle can be more than a source of light; it can become a piece of art, an expression of emotion and part of a beautiful memory.

Each Lumaari candle is handcrafted in pure soy wax and thoughtfully designed to bring together sculptural artistry, refined craftsmanship and meaningful storytelling. Our collection draws inspiration from nature, relationships, Indian cultural aesthetics and the moments we celebrate, while maintaining a contemporary elegance suited to modern homes.

From statement centrepieces and festive décor to weddings, intimate celebrations and thoughtful gifting, every Lumaari creation is designed to make an occasion feel a little more special.

*Beautiful before it is lit.
Magical when it glows.
Memorable long after
the moment has passed.*
